PART I. LEGAL CRITERIA

Superintendent's Small District Funding Waiver for CDSs

California *Education Code (EC)* Section 48664(a) funding limitations to be waived

PART II. RATIONALE AND DESIRED OUTCOME

1. Summary of the EC Section or portion to be waived:

A school district with fewer than 2,501 average daily attendance may request a waiver of the funding limitations in EC Section 48664(a) in order to access the small school-funding base for one teacher pursuant to EC Section 42284 and permit the operation of a Community Day School (CDS) of a quality comparable to that offered by a larger district.

2. Desired outcome/rationale: (State what you hope to accomplish with the waiver. Describe briefly the circumstances that brought about the request and why the waiver is necessary to achieve improved student performance or streamline or facilitate local agency operations.)

3. Attach a narrative description of the CDS program. (For core elements, for describing a community day school, go to <http://www.cde.ca.gov/sp/eo/cd/core.asp>.)

For CDSs that have been in operation for more than three years and operations remain substantially unchanged from the previous year, districts and county offices are only required to submit a narrative description (Core Elements) of the CDS program every other year, according to the following schedule:

- Districts in counties with odd numbered county codes (e.g., Alameda-01, Kern-15) should submit a narrative description for **odd** numbered school years (2009-2010, 2011-12, 2013-14 etc.).
- Districts in counties with even numbered county codes (e.g., Ventura-56, Yuba-58) should submit a narrative description for **even** numbered school years (2008-09, 2010-11, 2012-13 etc.).

I certify that this CDS has been in operation for more than three years and that it will operate with no significant changes from the description filed last year.

District Certification: I hereby certify that the information provided on this application is correct and complete.
