Dear Cathy Bean, Deputy Superintendent,

Thank you for all the help and assistance you provided in supporting the creation of the Foster Youth Go to Work program. You have helped the 19 participants learn new concepts while gaining work experience in a work place.

We gather and gain knowledge from our weekly on-the-job training in our various job settings. The occupation consist of D.S.T (Data System Technology), The USDA (United States Department of Agriculture) Forest Service, Marshall Hospital, Placerville Union School District, and the El Dorado County Office of Education. Again thank you for your time and commitment to our program.

Sincerely,

Glen Patterson
